

Report from the Data Sharing/Data Access *ad hoc* Committee

The Data Sharing/Data Access *ad hoc* committee published a report of the workshop held in Milwaukee in February, 2019 as a Commentary in the August, 2019 issue of the *AJPA* (<https://onlinelibrary.wiley.com/doi/abs/10.1002/ajpa.23909>). Four Letters to the Editor were received in response to the Commentary. The letters and a response by the workshop participants will be published in an upcoming issue of the journal.

The members of the committee were planning a workshop on data access and data sharing at the annual meeting of the association. This will be postponed for a later date.

The *AJPA* now requires a data access statement with every submission.
